Dear Parent/Carer,

### ParentPay Consent

Marling School uses the online payment facility ParentPay to enable parents to make payments for school dinners, trips and clubs. You can find further information about how this facility works at [www.parentpay.com](http://www.parentpay.com)

The process for offering parents a ParentPay account involves providing ParentPay with student data prior to activation of the account. If you wish to activate a ParentPay account please complete the consent form below and return it to Marling School Finance when you enrol on Wednesday 2<sup>nd</sup> September. You will then receive an activation letter at the end of the first week of term. If you already have a ParentPay account, you will still require an activation letter.

Yours sincerely

Marling School Finance Office
